JUNGLE FORT

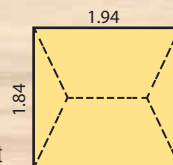

Pine \$1295 excl. options

Fort staining \$155

Forts make a great outdoor entertainment centre providing a platform to attach a whole range of accessories.

AS PICTURED:
Front: 1.94m x Side 1.8m. Height 2.0m excluding 1.2m elevation kit. Options 1.2m elevation kit, Firemans Pole, 2.5m Slide, Steering Wheel, Hand Grips, Sandpit. *Optional extras not included in price.

CONNECTING BRIDGE

Pine \$400

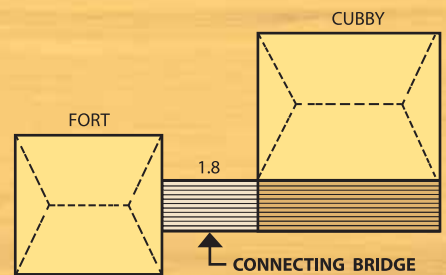

Bridge staining \$55

Use the connecting bridge to join forts or cubbies to create your very own adventure playground.

AS PICTURED: Length: 1.8m. The structure pictured also includes the Jungle Fort and Hideout on 1.2m elevation kits with sandpits.

Other optional accessories include Slides, Firemans Pole, Hand Grips, Barn Door and Steering Wheel.

*Optional extras not included in price.

SUPER FORT

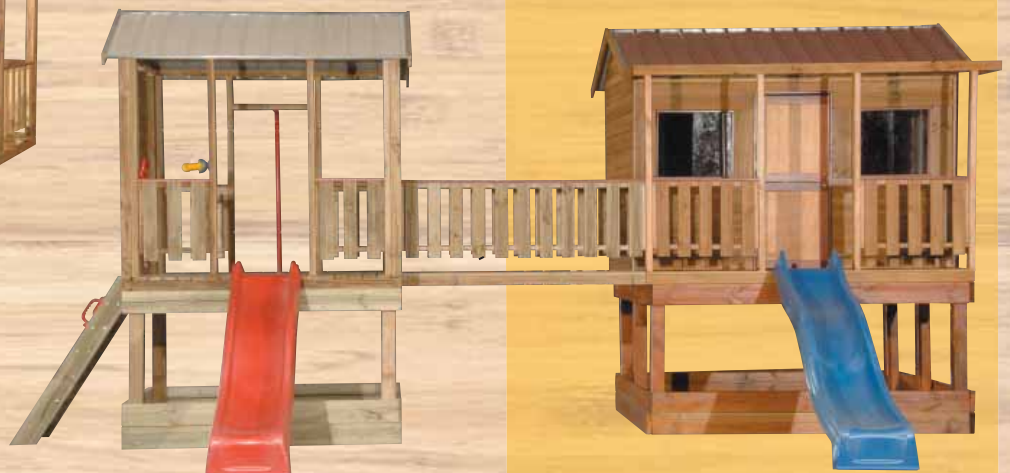

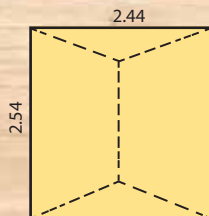

Pine \$1595

Fort staining \$175

The Super Fort is designed with big families in mind. This fort provides all the space for active children to thrive in.

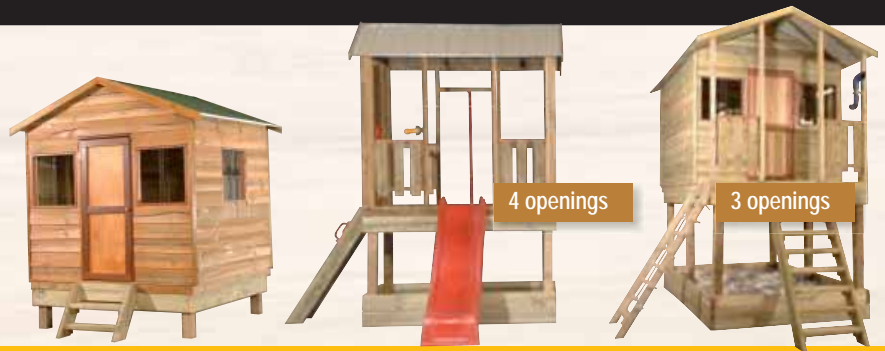

AS PICTURED:
Front: 2.54m x Side 2.44m. Height 2.11m.

ELEVATION NOTES - Inground Elevations - Posts are 0.6m longer so they can be dug into the ground and concreted in place. Posts can be trimmed to height to suit uneven ground.

Above Ground Elevations - Includes sandpit boards which form bracing support for posts. No need to dig posts into ground.

General - Cubby verandah or Fort openings need to be filled with options or balustrades. Suitable under surfacing is required as per Australian Standard recommendations. **Adult supervision and guidance is required for children using these products.**
